

# Catholic Virtual Master Schedule Calendar

## 2022–23 School Year

*During Catholic Virtual scheduled holidays and school breaks, teachers will not hold live lessons, grade assignments or be available through email. Students are encouraged to continue independent coursework during the scheduled days off. This is an excellent time for students to get caught up on missing assignments or retake assignments/assessments to improve overall grades. Previously recorded live lessons will be accessible in the live lesson library for reference.*

*For Catholic Virtual Partner Schools: Catholic Virtual teachers will record sessions during partner school days off that do not coincide with the Catholic Virtual calendar. Students are encouraged but not required to complete independent coursework during partner school days off.*
